RULES AND REGULATIONS FOR USE OF RIFLE AND ARCHERY RANGE
REVISED DECEMBER 18, 2001

I have attended a Range Rule Orientation Session on _____ and have received a copy of Range Rules for both Rifle and Archery Ranges. I understand all of the above Range Rules.

I also understand that if I am not sure that what I want to do is allowed, I will not do it until I have checked with a member of the Range Committee. It is also understood that the Piscataqua Fish and Game Club is not responsible for my safety and that I am responsible for my own actions and the safety of all others using the facilities to the best of my ability. I agree to report all observed violations of Club Rules and will make any suggestions, which will lead to increased safety.
