RULES AND REGULATIONS FOR USE OF ARCHERY RANGE. REVISED: 3/9/2020

No one is allowed to use either the Rifle or Archery Range until they have attended a Range Rules Orientation Session and acknowledge their receipt and understanding of said rules in writing. Your membership card must be displayed on your person while on club property. Any member violating any of the following rules will be subject to action by the Board of Directors.

1. Use of Range is prohibited unless there is a visible display of a paid up membership card on your person.
2. Before using the archery range, all individuals must sign in as well as their guests (please print clearly) and indicate "A" for the archery range.
3. Enter archery range from the right side of the club house only.
4. No alcohol or drugs on the Range.
5. No intoxicated person shall use the range.
6. No shooting of firearms at the bale house or practice bales.
7. No broadheads to be used on club targets. Target or field points only.
8. No individual member shall have more than two guests at any one time.
9. Yellow flag must be displayed before using the archery range.
10. Do not litter. Carry out what you bring in.
11. Carefully extinguish matches or smoking materials.
12. Be sure of your target and what is beyond. Make certain your target is clear before shooting. You must observe all archery safety rules to prevent accidents.
13. No walking with a nocked arrow.
14. If are not sure of what you are doing, DON'T DO IT.

Please make sure all your shooting is done safely and in accordance with Club rules.
